

The **Gibson County Water District** offers residents an easy and secure way to pay their **water** bills online. We support online payment because it is more convenient for residents and better for the environment.

## Go Green: Pay your bills online

Online Bill Payment, in partnership with Invoice Cloud, offers the following benefits:

- Easy to use - No registration required
- Pay your bills online, by text, or schedule a payment at your convenience
- Receive an immediate emailed confirmation or text message of payment or print a receipt

### Payments Accepted

Electronic checks using a checking or savings account or the following card types are accepted for payment.

### Service fees

Online payments will incur a service fee. The **Gibson County Water District** receives only your payment amount. Service fees cover various administrative costs associated with accepting payments and are non-refundable.

#### Utility Bills

- The service fee when using a Credit Card fee of **\$2.95**.
- The service fee when using an Electronic Check is \$2.95.

The service fee amount is automatically calculated and is shown on the payment page before you submit your payment for processing. Service fees will appear as a separate charge from the bill amount on your credit card or bank statement.

If you need help using online bill pay or you have a question about your account, please call **731-855-0411**.

If there is an error in the Credit Card charge, please contact Invoice Cloud at (877) 256-8330 x2700.
